

10/23/98

Dear Michael,

Once again, it was enjoyable chatting with you this morning. I really appreciate your ethics and your generosity (Aware Squares at no charge + your time and information).

Enclosed is my self-addressed envelope for the Aware Squares you wanted to send me.

Please keep me informed about the developments regarding the Aware Squares.

I will continue to buy products from you and to tell others of your business.

Thanks again,
Barbara Goldstein
