Dear Mr. Landgraf:

On behalf of Braille Institute Library Services and the Director of the Library, I would like to thank you for your first time participation in our Oktoberfest Open House held last Saturday October 21, 1995.

We had 600 + guests and many of them seemed extremely interested in your display area.

Please also thank Chris and Laura for their participation. Thanks for helping to make this the best Open House to date.

Sincerely,

Tina Herbison
Open House Coordinator
